

Inside the tank,  
a fiddler crab  
skitters quickly  
across the sand,

his larger claw  
snapping

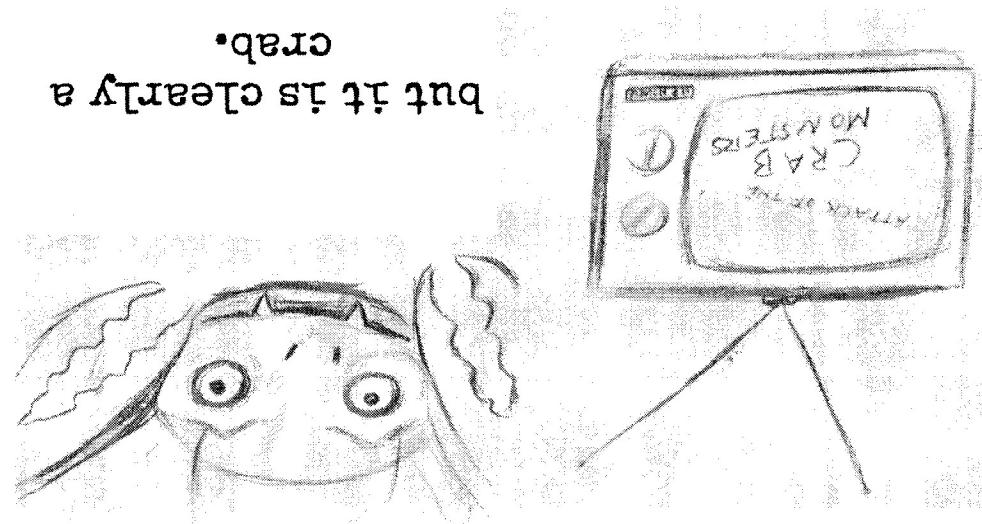

tiny,  
imagined  
enemies.

tiny people  
and chases  
meesh  
and strikes  
claws  
it swings its

It is slow and has  
large wrong eyes  
and its claws are  
both the same size,

but it is clearly a  
crab.

On the glowing  
box, a crab drags  
itself along the  
ground.
