

happens.

It could have been worse

what

Don't worry about it.

just

That's just what happens to women
when they wander off alone

that's

Well, what's the big deal?

I just can't imagine that they
would do something like that.

I'm not sure that counts.

You must have been
asking for it.

That's just what happens in this
day and age, isn't it?

Well, why didn't
you tell him no?

I wouldn't really call that rape,
but...something happened

That's hard to believe.

That doesn't count as rape,
does it?
