

A ~~DAY~~ **LOVE** TO  
REMEMBER

# Golden

Recently, I've found  
Compelling evidence  
That I am a  
Force of Nature.  
The effect of my perception  
The idea that I am  
Golden.

A vibrant collage featuring a central circular motif with a diamond-encrusted border and a textured, metallic interior. The collage is surrounded by various elements: a vertical strip of diamonds on the left, a row of yellow diamonds at the top, a row of yellow diamonds at the bottom, and a row of yellow diamonds on the right. Two large, pink, multi-petaled flowers are positioned on the left and right sides of the central circle. A large, silver, multi-pointed star is located at the bottom right. A large, silver, multi-pointed star is also visible at the top left. The background is a dark, textured surface.

The secret to enjoying life?  
Not overanalysing, whether you're enjoying life  
or not. Let it happen.

The background is a vibrant red with a fine, leather-like texture. A vertical crease or fold runs down the left side of the image, creating a subtle shadow and highlighting the texture. The text is centered and rendered in a bold, sans-serif font.
