GAZPACHO

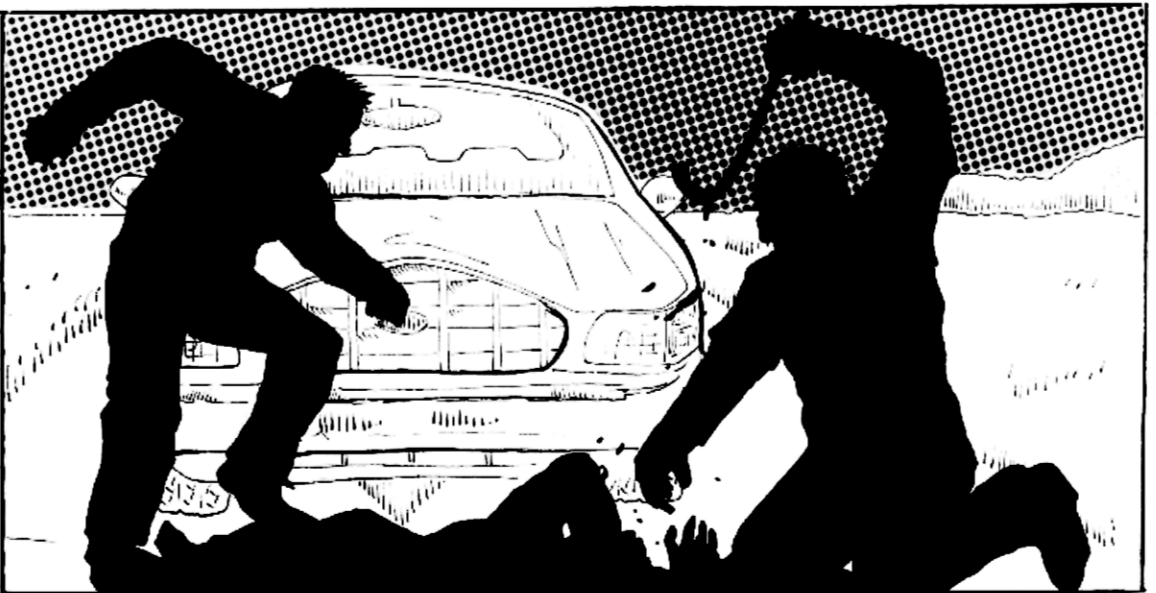

THIS SHIT GAMBLER WAS TWO DAYS LATE WITH ABOUT 15 GRAND THAT HE OWED THE BOSS.

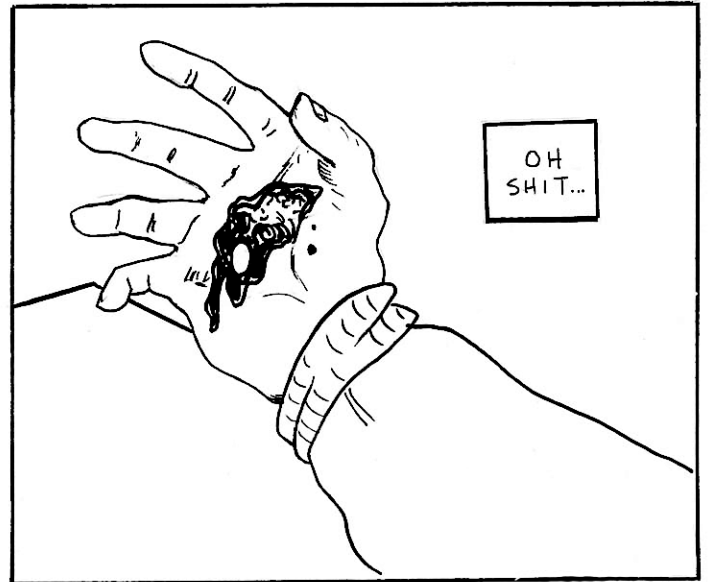

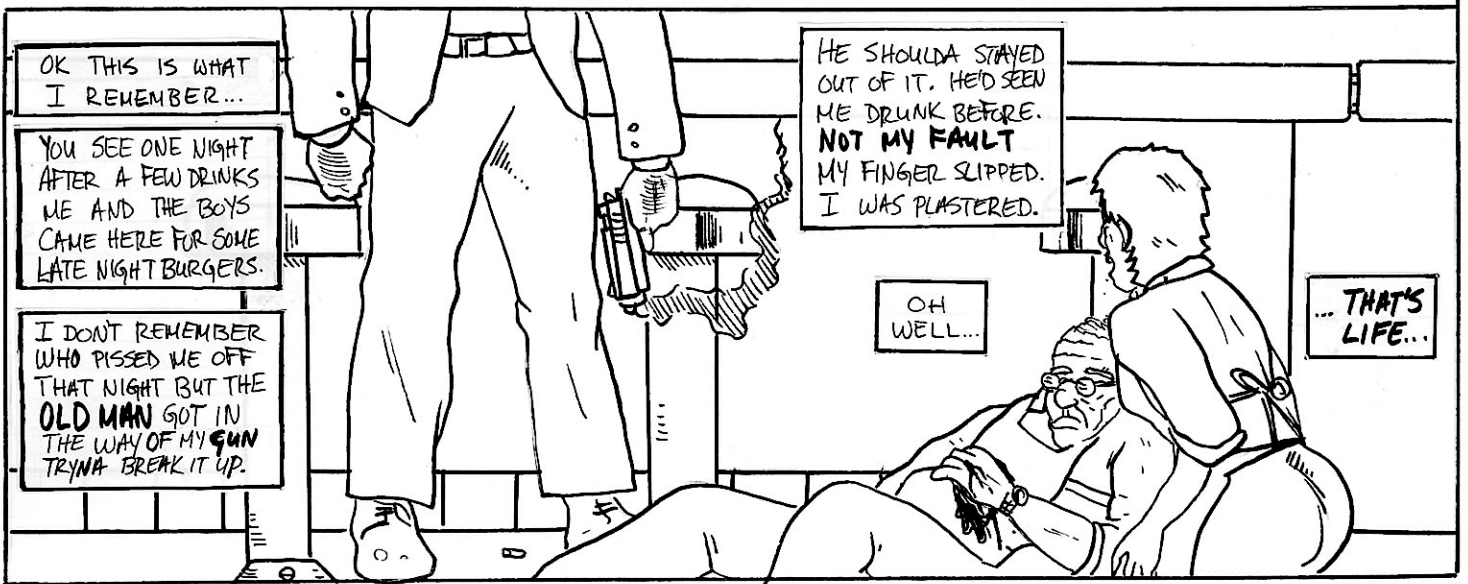

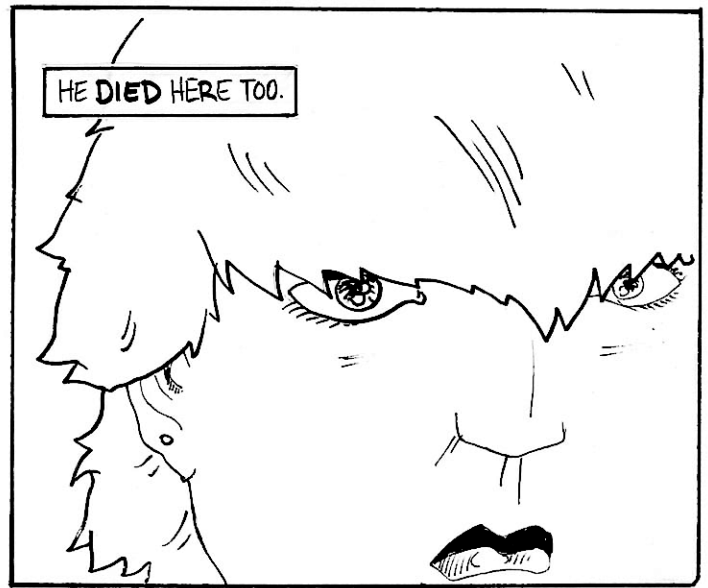

HE SHOWED UP WITH ALL THE CASH, BUT I JUST JOINED THE CREW AND WANTED TO "STAND OUT!!"

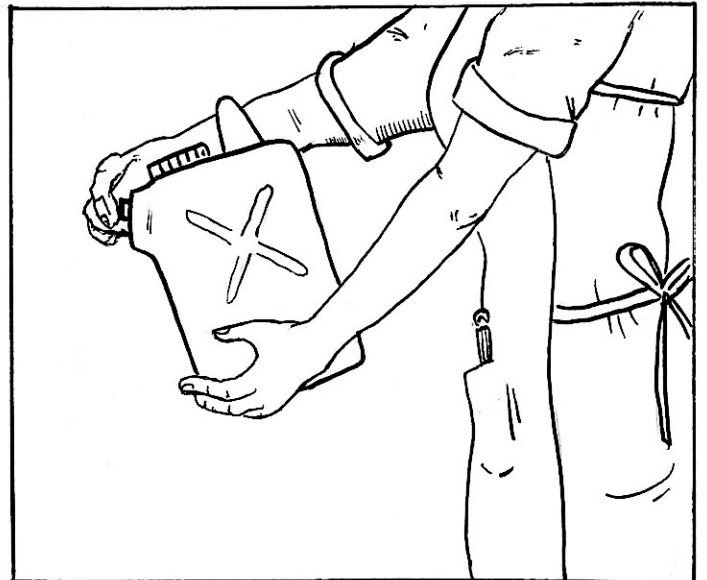

PLUS, FUCK THIS GUY! HE WAS LATE ANYWAY.

SO MY BOY AND I TAUGHT THIS PRICK HOW TO TELL TIME OUT THERE IN THAT PARKING LOT.

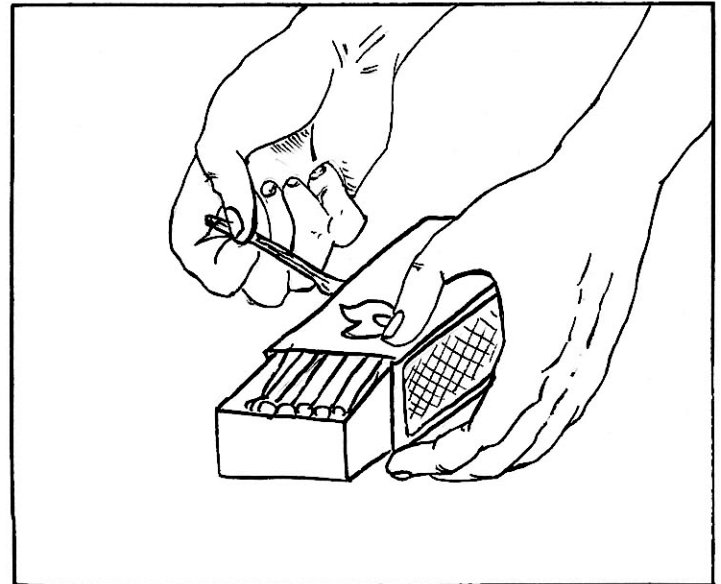

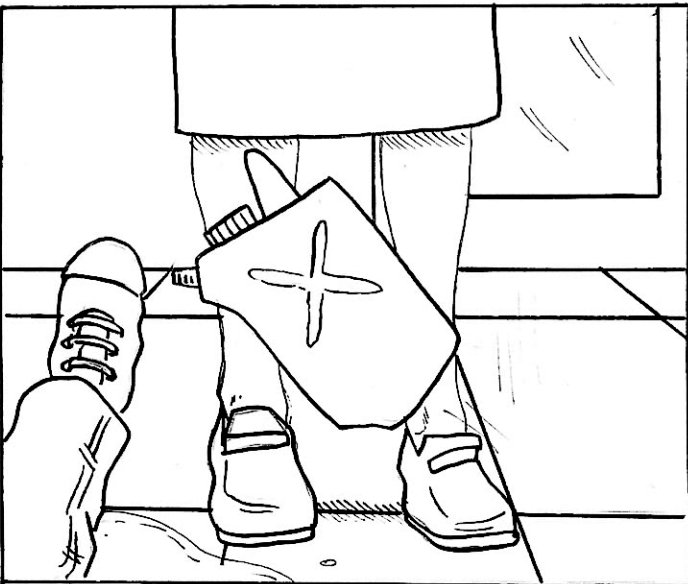

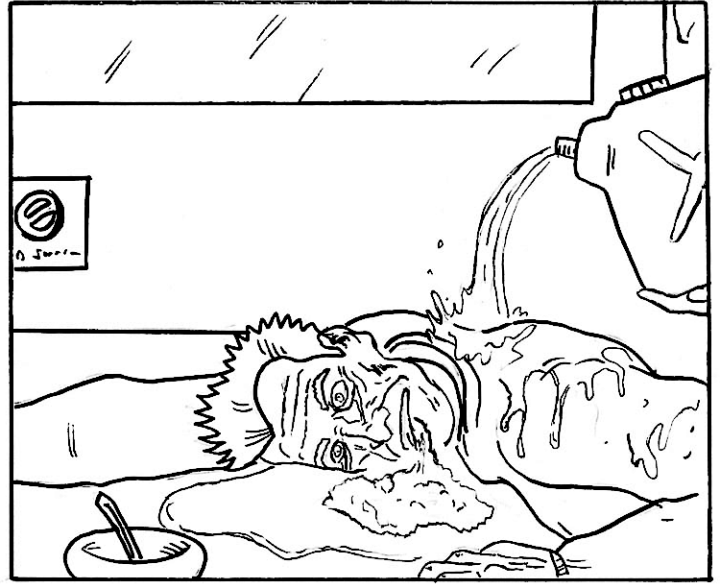

HE STILL BETS WITH US AND HIS WHEELCHAIR ALWAYS ROLLS IN RIGHT ON TIME WITH MY MONEY.

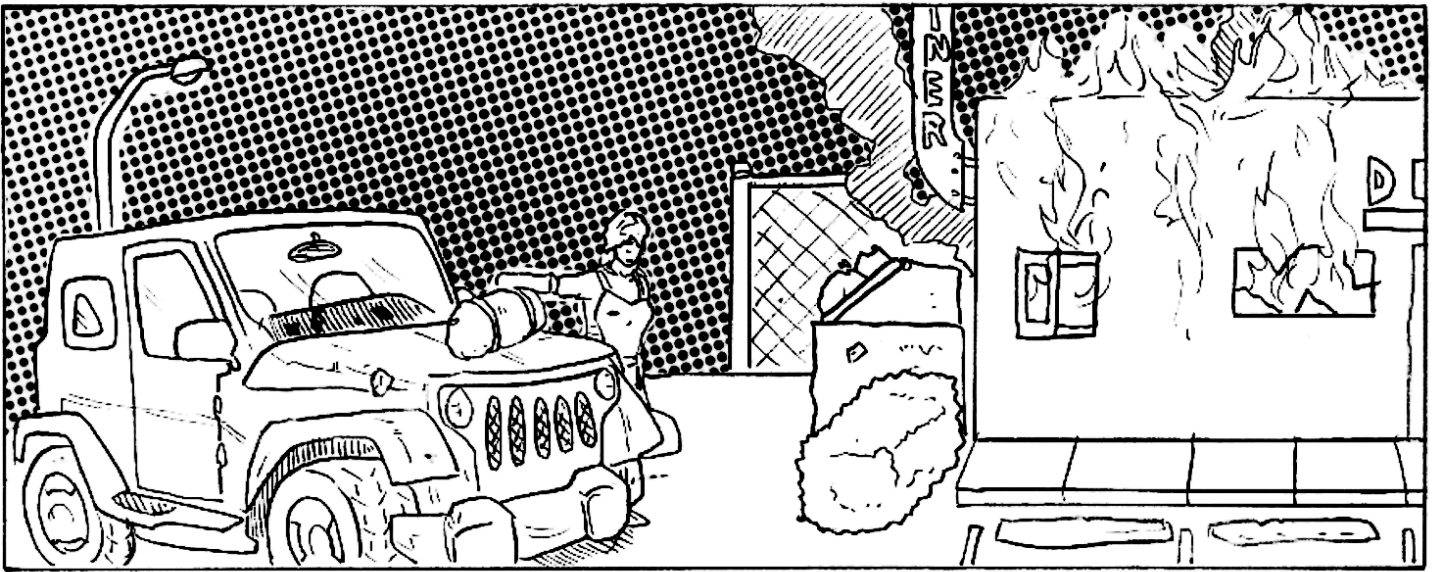

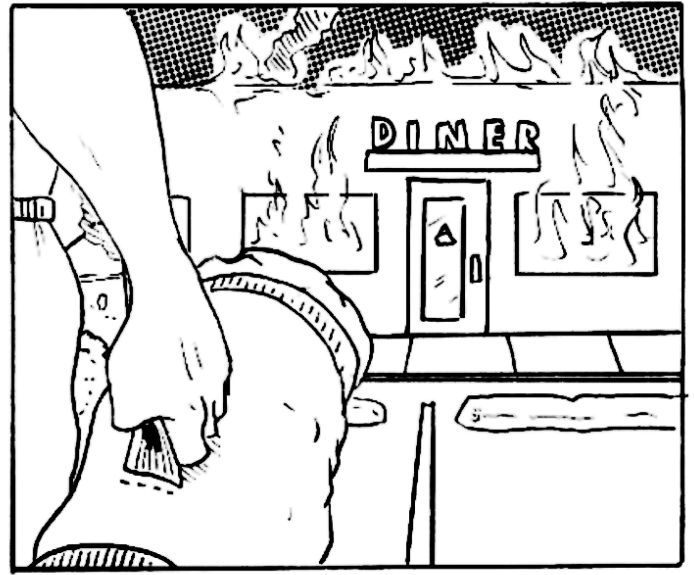

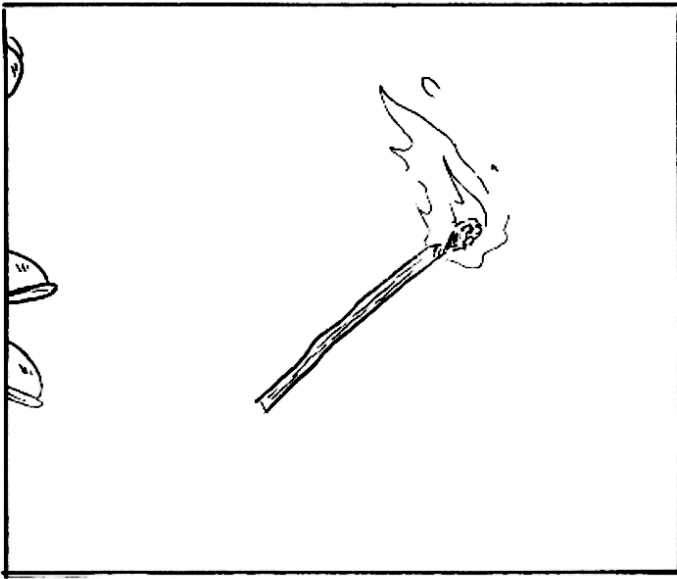

ARTIST: Will Wong  
SCRIPT: Amand Kaitai

A decorative border with floral and leaf motifs surrounds the text. The border is composed of a central horizontal line with a pointed top and bottom, and vertical lines on the left and right sides, all adorned with intricate floral designs.

# Hello Friends!

Thank you for picking up the third issue of F.O.C.K: Free of Charge Komix! We hope you've enjoyed this latest issue that we've put together for you. I must confess: 'Gazpacho' isn't a story that we created this year but one that we've had sitting behind glass marked "Break In Case Of Procrastination".

We hope that you and your loved ones are faring well. 2020 has been a hard year for all of us and honestly, we didn't feel too creative. But with this horrid year ending soon, it felt a bit wrong to not at least try and present something – anything! – before the year was out, especially with all the extra time we've responsibly spent at home.

We're already working on the next issue of F.O.C.K. and a few other ideas that we're excited to show you in the coming year, but that's enough about us. I'd be remiss if I didn't use some of this space to ask that if you are blessed enough to afford to donate food to your local food pantries to please consider doing so. The majority of food pantries operate on the generosity of others who in better times would be able to give more. Now many of those generous people find themselves in need of the same help. During this time of global hardship many localities are ill-equipped or in the case of our federal government's response, simply ignored as our taxes finance the paychecks they continue to collect while delaying and denying much-needed monetary aid to the public that they were elected to serve. These local food pantries – especially churches, mosques, and temples which provide meals to those members of our communities who may not qualify for governmental aid or are simply too afraid to ask anyone else – could use all the help they can get and even the small donation of a single can of food makes an important impact to a person's life.

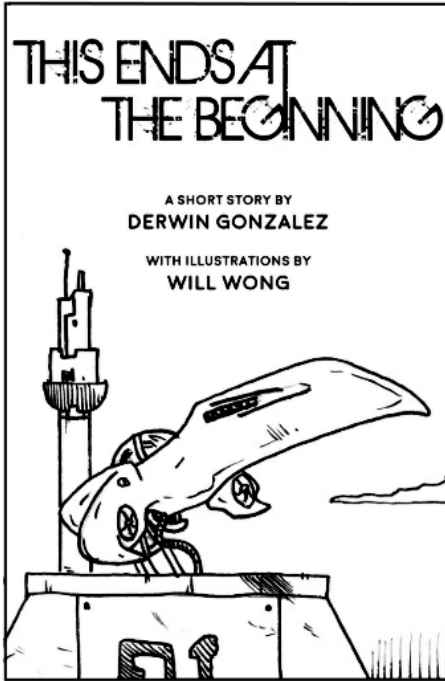

Thank you for checking out our komix!

We wish you and your loved ones  
a happy, healthy, and safe 2021!
