How to fold a Sheet-o-Paper into an 8-page zine

1. Lay out a sheet of paper.
2. Fold it in half lengthwise.
3. Fold it in half again, this time widthwise.
4. Press the folds to crease them.
5. Fold the paper in half again, this time along the vertical crease you just made.
6. Press the fold to crease it.
7. Fold the paper in half again, this time along the horizontal crease.
8. Press the fold to crease it.
9. Fold the paper in half again, this time along the diagonal crease you just made.
10. Press the fold to crease it.
11. Fold the paper in half again, this time along the diagonal crease in the opposite direction.
12. Press the fold to crease it.
13. With the rest of your paper, fold it in half lengthwise and widthwise. Press the folds to crease them.
14. Fold the paper in half again, this time along the vertical crease you just made. Press the fold to crease it.
15. Fold the paper in half again, this time along the horizontal crease. Press the fold to crease it.
16. Fold the paper in half again, this time along the diagonal crease you just made. Press the fold to crease it.
17. Fold the paper in half again, this time along the diagonal crease in the opposite direction. Press the fold to crease it.
18. Open the paper up and you should have an 8-page zine!
