

So Left, Two, Three!

So Left, Two, Three!

**To the work that
we must do.**

**March on in the
Workers' United Front,
For you are a worker too!**

The United Front Song, or Einheitsfrontlied in German, was a call for Left Unity to oppose Hitler and rising Fascism in Europe written by Bertolt Brecht. Used again in the Spanish Civil War, the song remains one of the best calls to action for a worker's movement. Like most translations, the song is not direct verbatim, but takes liberty to make a more singable platform.

**And just because he's a worker,
No class can free him but his own!
The emancipation
of the working class
is the task of
the workers
alone!**

**He wants no
servants under him,
and no boss
over his head.**

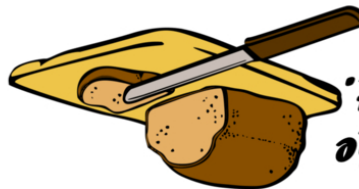

**And just because he's human,
he doesn't like a
pistol to his head.**

**So Left, Two, Three!
So Left, Two, Three!
To the work that we must do.
March on in the
Workers' United Front,
for you are a worker too!**

**He wants no glue
and a lot of talk
that gives no bread or meat.**

**And just because he's human,
a man would like
a little bit to eat.**
